Streatham & Clapham High School - GDST

Salary: £47,000 - £60,000 per annum, depending on experience, plus benefits

Contract: Permanent

Hours: Full time

Required: June 2025

Streatham & Clapham High School (SCHS) is seeking a proactive and dedicated Facilities Manager to oversee the safety, functionality, and maintenance of our school estate.

Located in a tranquil, leafy oasis in south London, the Senior School sits within an impressive 1930s building on a four-acre site. The successful candidate will play a key role in managing the premises of both our historic buildings and modern, purpose-built facilities, ensuring a safe and inspiring environment for staff, pupils, and visitors.

As Facilities Manager, you will lead a team to carry out essential and planned maintenance while ensuring full compliance with Health and Safety regulations. Key responsibilities will include:

- Managing all building projects and maintenance work undertaken on school premises, including both planned maintenance and reactive repairs.
- Implementing and monitoring the Estates Health and Safety policy, procedures, and practices.
- Establishing and maintaining a secure environment both during and outside of school hours.
- Ensuring the premises and grounds are maintained to a high standard through planned maintenance programmes.
- Overseeing the regular inspection and maintenance of plant and equipment under the responsibility of the premises team.

About you

You will have proven experience in facilities management and health and safety compliance, ideally in an educational setting or similar environment. A recognised health and safety qualification (such as IOSH Managing Safely or NEBOSH) is essential.

Your strong leadership and team management skills will enable you to effectively motivate and direct the facilities team, ensuring that maintenance tasks are completed to the highest standards. With excellent communication and time management abilities, you will be proactive in responding to the dynamic needs of a school environment.
